## *Declaration*

Referring to our application to FG for registration of anti-intruder product for

\_\_\_\_\_

(Name of the product)

We confirm that we are acquainted with the registration conditions, which we accept and commit ourselves to:

- Produce and/or sell products which are identical with the registered product.
- Immediately and if possible in advance to inform FG of changes in the registered product, if the changes have an influence on the properties of the product.
- Immediately to inform FG of changes in the applicant firm, if they might have an influence on the obligations to the registered product.

This declaration is in force as long as we produce and/or sell the above-mentioned product registered at FG.
